Regulators Sue 3 Big Banks Over Rampant Fraud on Zelle

Action against Bank of America, JPMorgan Chase and Wells Fargo may not survive President-elect Donald J. Trump's return to office.

A Google office building in Cambridge, Massachusetts, in March 2024.

(CNN) — Google sued the Consumer Financial Protection Bureau on Friday, challenging the agency's decision to place Google's payment division under federal supervision.

In a copy of the lawsuit provided by Google, the company said the CFPB's supervision would be a

Case Study Approach

Building this as I go, so please be patient

Will be some prompt, deliverable, action, attached to it

Draft an email, prepare to discuss a position, prepare a short presentation

Goal is to get some piratical reps and learn to navigate a system and give advice than to be a hard hitting payments expert

I am less and less qualified to teach payments each day

Will lean on guest speakers as much as possible
